RESPONSE TO CONTRACTOR'S QUESTION

ADDENDUM NO. 1, OCTOBER 18, 2024

Caracas Construction Corporation email dated October 15, 2024:

Question #1: Reading the specs, subsection 458 (pg. 24) mentions Superpave high performance surface course, but the bid items make no mention of that item number or pay item description. Do you know if they expect this asphalt in lieu of the standard surface course listed on plans and bid items?

Response #1: This project utilizes standard Superpave items as identified in Document B00420. Document 00712, including Subsection 458, have been removed from the Contract Documents.
